Background information on Dewey-Burdock:

Dewey-Burdock is a proposed uranium in-situ recovery project located in the southern Black Hills of South Dakota. The Dewey-Burdock Project Area is located in southwestern Custer County and northwestern Fall River County in South Dakota on the Wyoming-South Dakota state line. The Dewey-Burdock Project Area is outlined in black line in Figure 1.

Powertech (USA) Inc. submitted two Underground Injection Control permit applications to the EPA for injection activities related to uranium recovery. One is a UIC Class III Area Permit for injection wells for the ISR of uranium; the second is a UIC Class V Area Permit for deep injection wells that will be used to dispose of treated ISR process waste fluids.
